

**JOSEPH T. COLE**  
**COMMAND SERGEANT MAJOR**

*I'm from Washington State and grew up as an Army brat. My whole life has revolved around the Army and moving every few years. Throughout my time I had the opportunity to meet my wife of almost 23 years and have two great kids, my son 23 and my daughter 20. I'm an avid outdoorsman and enjoy pushing myself to my limits. Whether its running, cycling, hiking, or jiu-jitsu, I look forward to challenging my mind and body regularly. I believe I have the greatest job in the world and I'm grateful for all the opportunities I have had over my career.*
