

LTC TONY SNIPES COMMANDER

Hi, I'm Tony Snipes, the 3-2 GSAB Battalion Commander. I'm originally from California and am the youngest of five children. After college, I started my Army career flying OH-58D helicopters. Eventually, I assessed and was selected for the 160th Special Operations Aviation Regiment (SOAR). From then on, I've moved back and forth between conventional and special operations assignments.

Moving to Korea with my wife Emily and two sons, Grant (10) and Ben (7) has been one of the most rewarding experiences of my career. I'm passionate about caring for our Soldiers and their Families and ensuring our unit is ready for the rigors of combat. Commanding 3-2 GSAB provides me the opportunity to focus 100% of my efforts to that goal. If you're being assigned to this unit, I hope to prove that to you.

In my spare time I enjoy training Brazilian Jiu Jitsu, traveling, SCUBA diving, fishing, and hunting. If it is an outdoor activity, I'm probably interested. Living in Korea has provided an abundance of opportunities for me to pursue my interests outside of the Army. I know that your assignment here will provide you with opportunities as well.

I look forward to meeting you and your family as a future member of the Nightmare Team!
